

CCi

INTELLIGENT DEPOSIT SOLUTION

Brought to you by

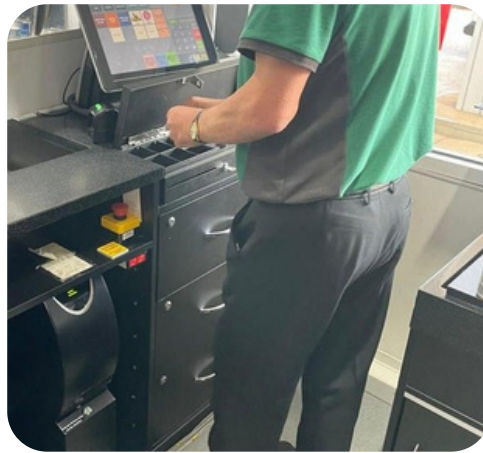

The CCI is an intelligent deposit solution designed to instantly validate and secure banknotes at the Point of Sale. Deposited banknotes are neatly stacked in a tamper-proof pouch or lockable cassette, ready for CIT pickup and banking.

REDUCE THE COST OF CASH BY 75%*

*Based on research by the manufacturer.

- Stop counterfeits at the till.
- Prevent cash loss from theft/robberies.
- Minimise manual cash handling.
- Eliminate cash skims and safe counts.
- Streamline CIT pickups and banking.
- Get provisional credit to free up cash flow.
- Boost staff efficiency and performance.
- Gain full cash visibility and reporting.
